RING SIZE GUIDE

CONFIRM PRINTED PAPER SIZE

This guide needs to be printed. To obtain an accurate measurement please follow these instructions.

- 1. Page scaling must be set to ‘NONE’ on your printer settings
- 2. Measure the bar on the right to confirm that it is exactly 20mm in length
- 3. If the measure is inaccurate, check your printer settings and repeat these directions

MEASURE CURRENT RING

- 1. Select a ring that fits properly on the intended finger
- 2. Place the ring over the circles below. Match the inside of the ring to the circle closest in size.
- 3. If the ring falls between two sizes, order the larger size.

For the most accurate measurement we recommend you visit your nearest Walker & Hall or your local jeweller for a professional sizing.
